Careflow® and
pomegranate juice
extract**

ENOTprost
FOR MALE WELLNESS

WEIDER PRIME MEN'S PROTECT

- ADVANCED FORMULA FOR MEN
- PROTECTION AGAINST OXIDATIVE STRESS
- WITH ENOTPROST®, CAREFLOW® AND POMEGRANATE JUICE EXTRACT

Weider Prime MEN'S PROTECT has been designed with a set of science-backed ingredients to help maintain urinary tract health and normal prostate function.

Pomegranate juice extract and tomato extract, which are rich in the organic pigment called lycopene, have antioxidant power that can help protect cells from oxidative stress.

ENOTprost® is a dry extract containing over 15% Oenothione B, a powerful ingredient with clinical studies supporting its anti-inflammatory and antioxidant properties for innovative dietary supplements.

Epilobium angustifolium L. (*Onagraceae*) is a well-known plant of European origin, traditionally used for prostate ailments and urinary disorders.

Careflow® has clinical and in vitro studies demonstrating increased blood flow, with potential beneficial effects on microcirculation. It also activates endothelial nitric oxide synthase (eNOS) enzyme, releasing nitric oxide (NO), which relaxes blood vessels and allows proper blood flow.

As a final supplement, zinc and selenium minerals have been added to contribute to the normal maintenance of testosterone levels in the blood.

The synergistic action of all these ingredients creates the perfect product for men's health care.

Nutritional Information	Per 2 capsules	%VRN*
Vitamin C	120 mg	150
Zinc	5 mg	50
Selenium	50 µg	100
Mango fruit powder (Careflow®)	100 mg	
Pomegranate juice extract	500 mg	
- of which polyphenols	250 mg	
Epilobium extract (ENOTProst®)	300 mg	
- of which oenothione	45 mg	
Tomato extract	100 mg	
- of which lycopene	5 mg	
Boron	2000 µg	

Ingredients: Pomegranate juice extract, Epilobium extract (*Epilobium angustifolium*)¹, hydroxypropylmethylcellulose (capsule), vitamin C (L-ascorbic acid), mango fruit powder², tomato extract, anti-caking agents: silicon dioxide, magnesium salts of fatty acids; sodium borate, zinc citrate, L-selenomethionine. ¹ENOTProst®, ²Careflow®.

Instructions for use: Take 2 capsules per day.

Format: 120 capsules.
