

GAMING & PERFORMANCE GUMMIES

Our fun and delicious gaming gummy is more than a tasty little treat – the soft, little cubes are packed with highly-efficient ingredients to support your gaming skills!

Each serving contains a clinical-dose of the branded aronia berry extract BrainBerry, which is standardized for powerful, bioactive plant molecules. Furthermore, every serving of FTW provides 40 mg of the stimulating caffeine, as well as the B vitamins pantothenic acid, vitamin B6 and vitamin B12. While pantothenic acid contributes to a normal mental performance, B6 and B12 contribute to a normal energy metabolism and a reduction of tiredness and fatigue.

Try the delicious Berry Boost flavor and show your friends that you are cut from a different cloth – all For the Win!

FTW – Berry Boost

GAMING & PERFORMANCE GUMMIES

Contains innovative Aronia Berry Extract BrainBerry®

40 mg Caffeine per serving

B6 & B12 for a reduction of tiredness and fatigue

Gaming is fun – but you know what's even more fun? Correct, winning – so there's nothing wrong with a healthy competitiveness.

So what can you do, besides training your skills, trying to stay healthy and getting enough sleep? Right, support your diet with the right nutrients to get an edge.

Many companies have launched supplements for eSports, most of them as drink powders. Definitely, nice to have – but there has to be more...

This is why WEIDER decided to transfer their decades-long experience and knowledge in sports nutrition to the growing eSports category and come up with their first gaming supplement – For the Win!

Our fun and delicious gaming gummy is more than a tasty little treat – the soft, little cubes are packed with highly-efficient ingredients to support your gaming skills!

Each serving contains a clinical-dose of the branded aronia berry extract BrainBerry®, which is standardized for powerful, bioactive plant molecules.

Furthermore, every serving of FTW provides 40 mg of the stimulating caffeine, as well as the B vitamins pantothenic acid, vitamin B6 and vitamin B12.

While pantothenic acid contributes to a normal mental performance, B6 and B12 contribute to a normal energy metabolism and a reduction of tiredness and fatigue.

Despite being full of functional ingredients, the gummies taste just like regular candy. Try the delicious Berry Boost flavor and show your friends that you are cut from a different cloth – all For the Win!
